PRICE SEVENTY-FIVE CENTS

Bishop James H. Straughn
Resident Bishop
Of the Pittsburgh Area

1940 - 1948

In His Honor This Volume Is Dedicated

For the Conference communion service, Bishop Straughn (TH'RD FROM LEFT) used the communion table from Old Rehoboth meeting house near Union, W. Va., believed to have been used by Bishop Asbury in 1788. Many other circuit riders used the table, and it is used by the present pastor of Union circuit, Rev. Frank Plybon. In 1939, the table was used by Bishop Adna W. Leonard in the Old Rehoboth log meeting house when several hundred people communed at a Unification service. (LEFT TO RIGHT) Mr. Plybon, Rev. John E. Hanifan, host pastor; Bishop Straughn and Harvey W. Harmer, chairman of the Conference historical society.

AGREEMENT

THIS AGREEMENT made this 18th day of September in the year of Our Lord, One Thousand Nine Hundred and Forty-Seven, by and between the CORPORATE BOARD OF FINANCE OF THE BALTIMORE ANNUAL CONFERENCE OF THE METHODIST EPISCOPAL CHURCH, SOUTH of Baltimore City, a religious corporation of the State of Maryland, (hereinafter sometimes referred to as "Corporate Board of Finance") and the West Virginia Annual Conference of the Methodist Church, an unincorporated religious association (hereinafter sometimes referred to as "West Virginia Conference") and the TRUSTEES OF THE ASBURY EDUCATIONAL FUND, a self-perpetuating Board of West Virginia Conference, (hereinafter sometimes referred to as "Asbury Educational Fund")

BACKGROUND OF THE AGREEMENT

The Corporate Board of Finance was incorporated on March 20, 1871 as a benevolent and religious corporation under the Maryland law as a corporate instrumentality of the Baltimore Annual Conference of the Methodist Episcopal Church, South.

On May 10, 1939, the Methodist Episcopal Church, South, the Methodist Episcopal Church and the Methodist Protestant Church, by an act of union became a united Church under the name of "The Methodist Church". Thereafter, pursuant to the Discipline of the new Church, promulgated in the year 1939 and particularly under Paragraph 1312 of this Discipline a Distributing Committee was ap-

pointed representing the Conference affected, which Distributing Committee on October 24, 1939 passed a Resolution whereby the distribution of the assets and income held for the benefit of Conference Claimants of the old Conferences should be divided among the new Conferences to be formed "in the proportion that the total service and annuity years of the active Ministers and Conference Claimants transferred to each new Conference bears to the total service and annuity year of the active Ministers' and Conference Claimants now on the rolls of the Conference about to be divided". This resolution of October 24, 1939 was implemented by a Resolution of July 9, 1940 which established the distribution between the four Conferences affected as follows:

Name of Conference	Proportion of Distributable Assets
The Virginia Annual Conference of the Methodist Church	53.98%
The Baltimore Annual Conference of the Methodist Church	32.53%
The West Virginia Annual Conference of the Methodist Church	11.18%
The Peninsula Annual Conference of the Methodist Church	2.31%

The Corporate Board of Finance received a legacy under the last Will and Testament of Callie L. Fishburn, late of Roanoke, Virginia, said Will having been dated October 22, 1932, "the income from which shall be employed in aiding ministerial students of said Conference in accordance with such rules and regulations as may be prescribed by said Corporate Board". The legacy mentioned now amounts to \$24,425.22 in cash.

By Resolution of the Board of Directors of the Corporate Board of Finance on July 18, 1947, it was resolved that the cash comprising the Callie Fishburn Fund should be distributed to the corporations or voluntary associations of the four above mentioned Conferences for the purposes set forth in the Last Will and Testament of Callie L. Fishburn in the same proportions as set for in the Resolution of October 24, 1929 as implemented by the Resolution of July 9, 1940. Upon advice of Counsel, however, the distribution to be made was conditioned upon the agreement by the Distributee corporations or voluntary associations that it or they would maintain as a separate fund, called "The Corporate Board of Finance—Callie L. Fishburn Fund", the money thus distributed and would agree to well and carefully invest and reinvest said money and apply the income therefrom to the uses and purposes set forth in the Will of Callie L. Fishburn, that is to say, for the benefit of ministerial students for the respective Conferences of the new Church and would keep a separate record of the investments and reinvestments and distributions of any and all money and assets thus distributed.

The West Virginia Annual Conference of the Methodist Church, although not incorporated, is the official legislative body of the

Methodist Church within the territorial jurisdiction of the West Virginia Conference and as such is the proper body to designate and control the permanent trust funds of West Virginia Conference for the education and training of worthy students for the ministry of the Methodist Church and other full-time Christian work. West Virginia Conference on September 21, 1945 passed a Resolution whereby it created a permanent board of West Virginia Conference to be designated and known as the "Trustees of the Asbury Educational Fund", to be composed of nine members nominated by the Cabinet and elected by the Conference for terms of three years each, except three members of the first Board shall hold office for only one year and three other members shall hold office for only two years so that one-third of the membership shall thereafter be appointed annually.

The Resolution of September 21, 1945 then provided as follows:

"(1) Said Board of Trustees shall receive, hold, manage, administer and disburse all funds coming into the control of the Conference and designated and treated as a permanent trust for the education and training of worthy students for the ministry and other full-time Christian Work. The Board shall make all necessary rules and regulations regarding the disposition of the income and funds to be so used by it.

(2) The Board shall appoint a Treasurer for the funds under its control, who shall give bond in the penalty of \$10,000.00 to be filed with the Secretary of the Conference and by him preserved, conditioned for the faithful accounting for and paying over of said funds upon the order of the Board or of this Conference; and said Treasurer, together with the Chairman and Secretary of the Board, who shall constitute an executive Committee thereof, shall be responsible for the proper investment of said funds in lawful securities and investments authorized by the laws of the State of West Virginia, and shall annually report to the Board and Conference the condition of the fund and the amount of the earnings thereof, together with an itemized statement of receipts and disbursements for the year.

(3) The Conference Treasurer, upon receipts of any funds of the Corporate Board of Finance of the former Baltimore Conference of the Methodist Episcopal Church, South, and of the Francis Asbury Educational Fund, Inc., of said Conference, shall promptly transfer the same to the Treasurer of said Board of Trustees of the Asbury Educational Fund, to be held by him pursuant to the terms of this resolution and to the direction of said Board of Trustees. The Treasurer of said Board shall pay out and disburse the funds in his hands, including income received, only upon orders of said Board.

(4) The Board of Trustees of the Asbury Educational Fund shall further receive, hold and administer any other funds hereafter contributed, given, bequeathed or devised to it or to this Conference to be used for the purposes aforesaid,

and shall carry out the terms of any such gift, bequest or devise and administer the same in accordance therewith. The Board shall see that all funds received as aforesaid from the agencies of said former Baltimore Conference are administered in accordance with the terms of the respective trusts under which they were held."

The Treasurer of the Trustees of the Asbury Educational Fund is Harry R. Howell and H. V. Wheeler is the Chairman of Trustees of Asbury Educational Fund, and G. M. Curry is the Secretary thereof. Bishop James H. Straughn is the Presiding Bishop of West Virginia Conference.

The amount of money distributable by the Corporate Board of Finance to the Trustees of the Asbury Educational Fund upon the conditions above set forth and using the formula mentioned amounts to \$2730.74.

NOW THEREFORE, in consideration of the premises and receipt by Trustees of the Asbury Educational Fund of the sum of \$2730.74 from the Corporate Board of Finance, the receipts whereof is hereby acknowledged by Trustees of the Asbury Educational Fund, the Trustees of the Asbury Educational Fund, for themselves and their respective successor or successors in trust do hereby agree with the Corporate Board of Finance, its successor or successors, as follows:

1. That the Trustees of the Asbury Educational Fund will well and carefully invest and reinvest said money in safe securities and investments.

2. That the Trustees of the Asbury Educational Fund will maintain said money and investment and reinvestments thereof as a separate fund, known as "The Corporate Board of Finance—Callie L. Fishburn Fund," and upon the books, records and accounts of said Trustees will keep a separate record of the investments and reinvestments of said money from time to time and a record of the distribution of the income derived from said investments and reinvestments for the benefit of ministerial students in the West Virginia Annual Conference of the Methodist Church as above set forth.

3. That Trustees of the Asbury Educational Fund will devote said income for the benefit of ministerial students of the West Virginia Annual Conference of the Methodist Church in accordance with the proper orders and resolutions of the West Virginia Annual Conference of the Methodist Church or such agency or agencies as may be designated by said Conference to carry on the work of aiding such ministerial students and will not devote said income to any other purposes; and

West Virginia Conference for itself and its successor or successors for the considerations above set forth, hereby agrees with Corporate Board of Finance, its successor or successors, that it will not direct the transfer of any of the above mentioned money or investment or reinvestment thereof from the custody and control of the Trustees of the Asbury Educational Fund or change the purposes for which the Trustees of the Asbury Educational Fund were created, that is to say, for the holding management, administration

and disbursement of all funds coming into the control of the Conference and designated and treated as a permanent trust for the education and training of worthy students for the ministry or other full-time Christian Work, without first providing for the return to Corporate Board of Finance, its successor or successors the money, investment or reinvestment which at this time would constitute said Corporate Board of Finance—Callie L. Fishburn Fund.

IN WITNESS WHEREOF, the Corporate Board of Finance has hereunto set its Corporate name by its proper officer, duly authorized, and has had its Corporate Seal duly affixed, and the Trustees of the Asbury Educational Fund have set their hands as trustees by their Chairman, Treasurer and Secretary, and West Virginia Annual Conference of the Methodist Church has set its hand by its Presiding Bishop, the day and year first above written.

THE CRUSADE FOR CHRIST GOES TO THE MASSES

It is fitting that we should assemble on this historic spot to celebrate the remarkable victories we have achieved in the Crusade for Christ, and to repent of any weakness or failures in which we may have been involved. Then to arise with a fresh start and go forth to launch a new phase of the Great Crusade in the Name and for the sake of our Crusading Christ.

To this place came the indomitable "Prophet of the Long Road", Francis Asbury, in the olden days, to proclaim a campaign for a "new world order" in spreading Scriptural holiness over all the earth, and to assure Methodism that it should play a Christian rôle in this budding nation in that early movement for "one-world," a definitely Christian world. He believed that Methodists were called to take the lead.

One cannot fully state our proposed message in such a short time because there is involved in this phase of the Crusade for Christ every Church school, and the enlistment of men, women and children as enrolled and attending members of the Church Schools. It is an enrollment Crusade, and an attendance Crusade, while we are still forwarding the objectives of the other years of the Crusade for Christ with the same high consecration and purpose and motives, that please God, will likewise advance the Church and the Kingdom quite as surely as those services and visitations which preceeded Methodism and prevailed throughout Southern West Virginia.

We need efficient Church Schools in remote rural valleys, and industrial centers; we need Church Schools in villages and county seat towns; we need Church Schools in down town and in suburban city situations. We need Church Schools on Sunday, and we need Week-day Schools of Religion. We need the Vacation Church Schools. There must be Church Schools everywhere, providing classes for all ages and conditions of humanity. All need a working and moving knowledge of the Holy Bible, and a ready familiarity with the Gospel, the Church with its great past, and more important—its much greater future. All must know our Lord Jesus Christ and His saving grace—all, from the least to the greatest.

Hear what the Spirit saith through history, to the Churches. Every time that Christ's people undertake something in His name, when they take it to their own hearts and hearths, and then move out to the masses of the people, our Lord intervenes with amighty outpouring of His power, surprising victories follow. History writes new pages for the Book of the Acts. It has been so in all our recent undertakings. It has been so in this most historic Crusade for Christ to date. It will be so this very Conference Year of 1947-1948.

In this Crusade we are saying to the people from forty thousand Methodist pulpits, from the hundreds of thousands of Methodist homes, through the Church and secular press, by the personal contacts of millions of crusading members of all ages,

"Come with us, and we will do thee good." By faith, we see hundreds of thousands of new enrolles responding and those who help, will themselves become more regular and enthusiastic attendants.

A. COLEMAN BROWN.

THE ANNUAL CONFERENCE DEACONESS BOARD

The Annual Conference Deaconess Board of the West Virginia Annual Conference met in the First Methodist Church, Clarksburg, West Virginia, Thursday afternoon, September 18, 1947 at 1:30 o'clock with Rev. Report was made that Miss Jeanne Canover of the Fairmont District was commissioned as a Deaconess on June 19, 1947 in New York City at the meeting of the Board of Missions. Miss Mildred Ralston was reported as an employed worker in the Wesley House, Amherstdale, West Virginia.

BOARD OF CHRISTIAN EDUCATION

Your Conference Board of Education is happy to report that the past year has seen very gratifying progress made along all lines of Christian Education within our bounds.

West Virginia Wesleyan College, the Wesley Foundation, and the field work of the conference staff, all of which comprise the scope of our educational activities, have most satisfactory outreach in their respective lines of endeavor.

The college reports the largest enrollment of its history, and is straining every facility available for the care of students.

Our Wesley Foundation this year is ministering to approximately three thousand students at the West Virginia University.

The efficiency of the field work by our conference staff is indicated by citing the following data:

During the year, the number of Training Schools increased 9% over last year; the number of course increased 13%; the number of churches represented in these leadership education experiences 13%; number of pupils enrolled increased 7% and the number of credits issued increased 5%. The Children's Division reports 560 Vacation Church Schools reaching a total of 27,730. The work of these Vacation Church Schools was done by 4,616 workers. This represents a substantial increase over last year. The Youth Division shows an increase in attendance upon Assemblies, Camps and

Institutes. Four Methodist Youth Caravans worked in our Conference this year. The Adult Division is to be congratulated especially for its work and expanded activity in the field of young adult work. A Seminar on Social Action highlighted the adult program.

The Board desires to express appreciation to those responsible for these splendid achievements:

To President William J. Scarborough, the faculty and staff of the college. To Dr. W. S. Boyd, Director and Rev. Robert R. Sanks, Associate Director, of the Wesley Foundation; to Rev. Walter S. Overstreet, Executive Secretary, Mr. A. A. Knight, Youth Director, Miss Joy Kattner, Children's Director and Dr. James L. Hupp, Adult Director of the conference staff.

We are happy to welcome to our Conference Miss Joy Kattner who is the newly elected Director of Children's Work. She has already begun her work in a very splendid manner and we predict great things for the children's workers of the West Virginia Conference.

With respect to financial matters within the jurisdiction of the Board, we rejoice to announce the following good report:

COMMITTEE

REPORT OF THE BOARD OF EVANGELISM

The World Council of Churches, at a meeting held in Geneva, Switzerland has made this statement: "The Christian Church as the body of Christ is called to express the love and mind of her Master. Her primary task is to proclaim the glorious Gospel of God's redeeming love to those who do not know God, as well as to work for the mutual edification of those who have been saved from their sins through humble repentance and surrender to Jesus Christ as Redeemer and Lord. This task of the Church is inherent in her calling and is never finished because of the multitudes of individuals who must be called to make a surrender to Him who alone can save." This, we believe, is a true statement of Evangelism. It is the hope of the Board that the Methodist Church may never become a mere institution, but may always be a vital, living movement wherever the voice of our ministers is heard in the crowded cities, villages, or open country.

During the year of special emphasis on Evangelism in the Crusade for Christ, the Methodist Church accomplished that which no other church has ever accomplished in all of its history, that is the adding of over a million souls to the membership of our church in one year. We regret, however, that we have not received a like number this year, but we do feel that the spirit of Evangelism is growing and many of our churches have received a larger vision and a keener interest in this work so dear to our hearts. Many of our men have had unusual success by using the different methods of Evangelism and we have received into the membership of our church 6903 on profession of faith, 4942 — by certificate of trans-

fer. We had the largest class on Evangelism in our Pastor's and Christian Workers' Leadership Training School, held at Buchannon, than we have had since we have been a participating Board.

We have the technical "know-how" by the recent emphasis on the various methods of Evangelism, however, it is evident that before we can go further, we must go deeper in order to create an interest in the vital spiritual mission of the church. Our chief emphasis this coming year will be on the revitalizing of the spiritual life of our people.

In order to help our ministers lead our people to a richer experience of the grace of God in their hearts and creating a greater passion for lost souls, we will hold within the bounds of our Conference this coming year a Spiritual Life Retreat under the leadership of Dr. Albert E. Day, of the General Board of Evangelism. This will be followed, wherever possible, by District Retreats under the leadership of the Conference Secretary of Evangelism.

The Board makes the following suggestions:

1. We suggest a continuation of the use of all methods of Evangelism, by laying special emphasis on Educational Evangelism. It being the special interest of the Crusade for Christ for this year. Also, that we give our whole hearted support and cooperation to the Board of Education and the Crusade Council in promoting this final phase of the Crusade since the Church School offers us our greatest evangelistic opportunity. That during this year of the Crusade, we emphasize the importance of winning the parents of children enrolled in our schools, as well as all pupils of the church schools.

2. That we lend support to The Town and Country Commission in their efforts to improve the conditions of the rural church.

3. (a). We continue the wider use of the UPPER ROOM by adopting the Parsh Cultivation Plan in order that more people might have access to this very helpful magazine. (b). To promote THE NEW LIFE MAGAZINE, especially designed for the cultivation of the Christian life. (c). The SHEPHERDS magazine be carefully read as it will carry definite Evangelistic programs suggested by the General Board of Evangelism. (d). That other Evangelistic literature made available by the General Board be distributed among our people.

4. That the District hold a School of Evangelism in each district, and that where possible, this be held in a church where visitation evangelism was not carried out during the Year of Evangelism. Visiting pastors and laymen should be used in these schools.

5. That we intensify our program of visitation and assimilation by dividing our Local Church Committee on Evangelism, or our Local Church Fellowship of Evangelism, into three groups—that one-third may be responsible for winning new members to Christ and the Church by visitation, one-third for reclaiming inactive members, and one-third for the assimilation of new members.

6. That the invitation to Christian Discipleship be given at the close of each preaching service.

7. Spiritual Life Retreats shall be held on Conference and District levels, separately for pastors and laymen, to train them in holy habits, spiritual skills, and Christian leadership.

8. We recommend the expanded use of radio, motion pictures, the press, and other public relations facilities, for the presentation of the Christian message.

9. We recommend that one Sunday each year be designated as Life Service Sunday throughout our Church, for the enlistment of men and women for the ministry and related work, and for the recognition of all previously so committed.

10. That our Youth Organization be utilized in promoting the evangelistic work among young people giving them an opportunity to express their faith in action and concrete, practical service to the Church, encouraging them to promote their own evangelistic program.

11. That we not only continue to present the gospel of Jesus Christ so that we might win converts, but that we plug up any hole through which our converts are being lost by the use of the plan adopted last year for the reclaiming of inactive members and use of the Non-Resident Program with the District Superintendents serving as a clearing house for all church members moving to another community.

12. That the District Committee on Evangelism together with the District Director be appointed or elected in each district immediately after Conference and their names be sent to the Conference Secretary of Evangelism.

The Board makes the following recommendation: We recommend that W. E. Keenan be appointed by the Bishop as Conference Secretary of Evangelism for the year 1947-48.

REPORT OF THE BOARD OF TRUSTEES ASBURY EDUCATIONAL FUND

The Board of Trustees of the Francis Asbury Educational Fund has received this year from Methodist student day offerings the sum of \$3375.00. We have also received from the Corporate Board of Finance of the Baltimore Conference of the former Methodist Episcopal Church South the sum of \$2730.74; the same to be invested and the income therefrom to be used for the aiding of worthy students in preparation for Christian work.

Your Board has been able to aid eighteen students meet the expense of College or Seminary preparation for Christian ministry. These loans amount to \$2480.00. Other applications are expected during the present school year.

It is a joy to be able to relieve the needs in some measure of these deserving young people, who are dedicating their lives to

Christian service in our own conference. With more operating funds much more could be done. The Board has felt it necessary at present, to limit the amount of a loan to one student, during any one school year to \$200.00. It is our feeling that we should be able to make a maximum grant of \$300.00. This can be done only by an increase in the giving of our churches on Methodist student day to this worthy cause. We urgently request our ministers to lay this matter upon the hearts of their people, and seek, by private gifts and other offerings, to increase the ability of your Board in this matter.

The Francis Asbury Educational Fund of the Baltimore Conference of the former Methodist Episcopal Church South is still in process of liquidation and nothing has been received from that source as yet. It is hoped that distribution of that fund will increase our resources in the near future.

REPORT BOARD OF HOSPITALS AND HOMES

The response of the Conference to the preliminary program looking towards the development and achievement of a Home for The Aged, or a Home for Children, has been very gratifying indeed. The splendid interest of Church Schools, Ministers and District Superintendents during the past year has resulted in a goodly sum of money from the Fifth Sunday Offerings as ordered by the Conference for the work of the Conference Board of Hospitals and Homes.

The Conference Board also appreciates the visit to our Conference of Mr. O. E. Oeschger, representing the Methodist Board of

Hospitals and Homes, Chicago. He reports that now there are 70 Hospitals, 51 Homes for the Aged, 46 Homes for Children, and ten Special Agencies, including centers and Homes for Young People.

WEST VIRGINIA CONFERENCE PROJECT:

In many ways the West Virginia Conference has indicated its desire for a Home for the Aged, or a project of similar character. The need for such a project is imperative, and is becoming more and more insistent with each passing year. There are now several Retired Ministers who have come to the place in their lives where the protection of the Annual Conference must be assured them. There are faithful and worthy Christian Laymen, who already look forward to a time where a respectable Home, beyond the pales of Charity, might be available, for quiet years and earned rest.

LET US READ THE DISCIPLINE FOR 1944:

Our people are asked to read Paragraph 1531 of the 1944 Methodist Discipline for information concerning the Annual Conference Board of Hospitals and Homes, its functions and procedures.

CONTINUING FIFTH SUNDAY OFFERINGS:

Very gratifying were the Fifth Sunday Offerings for last year. The report will show that an amount well on to \$8,000., or more came as a result of the action last year. The Bland Street Church, Bluefield, Dr. J. Murrell Helm, Minister, set a great example by sending more than \$1,200. A good start was made. Next year, each Church School and Minister will receive mimeographed letters and literature which will explain the work of the Conference Board of Hospitals and Homes.

CO-OPERATION:

The Conference Board of Hospitals and Home in this way express its appreciation of the Board of World Service and Finance of the West Virginia Conference; Your Board respectfully solicits the co-operation of each Church and Charge, Minister and Church School Superintendent, assuring all that just as soon as sufficient funds are available the work of a Home ordered by the Annual Conference will be started. With this co-operation from all, a project can be started, and well on to completion during the next quadrennium. The Conference Board is desirous of receiving Special Gifts and Annuities to apply to special project can be started, and well on to completion during the next quadrennium. The Conference Board is desirous of receiving Special Gifts and Annuities to apply to special projects by the Conference.

**PROGRAM FOR LAY ACTIVITIES
OF THE W. VA. CONFERENCE, 1947 - 48**

1. We take just pride in the accomplishment in the Stewardship year of the Crusade for Christ. These results will not be of lasting benefit unless we continue to stress Stewardship in all our churches in its different emphasis. Stewardship has always been the basis of our Lay Activities Program. That is our particular responsibility. We suggest that all Laymen continue their efforts in this field of endeavor.

2. We propose that Laymen's Sunday be observed in each local church on the fourth Sunday in February 1948 or as near that date as possible, as it presents the finest opportunity for the presentation of the program of Lay Activities and the training of Laymen in Lay Speaking.

3. We call to the attention of our churches that the Methodist Church has an organization for Methodist men and we urge that more consideration be given to the organization of groups of Methodist Men or other groups for men's work.

4. We pledge our support to the Crusade Council and to the Crusade Director, Dr. A. Coleman Brown, in the Crusade for the increased enrollment and attendance in our Church Schools, and we urge that each Laymen will enter into this Crusade Year with all the vigor possible so that our goals of enrollment and attendance may be reached.

5. We rejoice in the great achievement of our Conference in subscribing over one million dollars for the Reserve Pension Fund. This is an unprecedented achievement. We thank God and take courage, but only about one half of the amount pledged has been paid. It will take strenuous effort and hard work to reach our goal. We have faith in the pledged word of Methodist Laymen that full payment will be made during the year.

6. The Lay Activities movement and Laymen in general in the Methodist Conference are much concerned about the minimum salaries for Pastors. Therefore, we recommend that the committee set up at the Men's Institute at Jackson's Mill be continued and directed to confer with the committee on Sustentation and the Board of Pensions and bring a report to the next meeting of the Board of Lay Activities.

7. The Board of Lay Activities will sponsor an Institute for men at Jackson Mills in May 1948.

TO THE MEMBERS OF THE BOARD OF LAY ACTIVITIES

In presenting this annual report for the year devoted to the promotion of Stewardship and the Crusade for Christ, it is almost needless to say that most of the work of the Board of Lay Activities has been given over, first to the promotion and subscribing of the million dollars for the Reserve Pension Fund and moreover the collection of more than one-half million dollars on these subscriptions. Second, we have cooperated in every way with the Crusade Director,

Dr. A. Coleman Brown and the Conference Council for the Crusade, so for the most part the report on these two items will be in the main the report of the work of the Lay Activities for the West Virginia Conference.

And yet there has been more than this done by the laity of the West Virginia Conference. The observance of Layman's Sunday has been better observed than at any time since unification. More Laymen took part and their programs were well received throughout the Conference.

From the reports we have received, it is apparent that more Lay preaching is being done by the laity of our Church, in conducting services in churches and supporting ministers at churches and charges where the task is too great for the minister to carry on in an efficient manner.

We report with a great deal of pleasure the holding of the Men's Institute at Jackson's Mill on May 23-25 with an average attendance of more than 85 and a total attendance of almost 150 Laymen, preachers, and District Superintendents from over the Conference. The addresses by Dr. Henry N. Holmes were well received and the various reports and discussions given by the leaders of our own West Virginia Conference made this the best Institute that has been held. We hope that next year even a larger number may be reached, if the Board directs that another Institute be held.

Finally we would like to say that we believe we have received better cooperation in general from the ministers for our program than at any time during the quadrennium and we have hopes that in the future because of our interest in mutual church problems, we shall gain the confidence and support of every minister in the West Virginia Conference.

So to the Bishop, our District Superintendents, our pastors, and the leaders of our Conference in every field of work, we express our deep gratitude for their helpful cooperation and their guidance and direction when we have asked for it. To the lay leaders of the West Virginia Conference and to all the Laymen everywhere within the borders of our Conference, we express our greatest appreciation for the excellent manner in which you have stood by and supported the program of the Church during the past year. We are sure with this kind of unified effort that rich blessings and progress will come to Methodism in West Virginia.

Respectfully submitted,
W. FOSS CURTIS
Conference Lay Leader

BOARD OF MINISTERIAL TRAINING

The Church is coming to recognize that it has no more pressing problem than that of recruiting and training its ministry. Surveys indicate that as we face the greater problems of bringing order and decency to a wartorn, chaotic and debauched world, and as we seek to expand the program of World Evangelization we find fewer men consecrating themselves to the Christian Ministry. In this year

of special emphasis upon recruiting we have made some notable gains. The reports of the Superintendents yesterday gave us a measure of encouragement. If we are to maintain the ministry of even our own conference the emphasis recorded this year must be continued and increased.

There is a note of encouragement in the fact that we are constantly moving toward a better trained ministry. The young men who were received into full connection this morning are all seminary men. The young men who will be received on trial on Friday will in the main continue their preparation in our Theological Seminaries.

Our Summer School of Ministerial Training is gradually attracting more of our active ministers. Approximately 120 were enrolled but did not register. Here is provided, through the cooperation of in our Summer School this year, and half a hundred more attended, the Conference Board of Ministerial Training and the Commission on Ministerial Training, a program second to none for the enrichment and stimulation of alert ministers. With the improvement of housing facilities we should have 300 to 400 men taking advantage of the opportunities of the Summer School. More men of the Conference should avail themselves of the opportunity to pursue graduate courses of study, by correspondence, under the guidance of the leading Professors in our Theological Schools.

It is imperative that the Conference make some additional provisions for financing the education of men and women for the ministry and other full-time christian service. A plan through which any promising young man or woman willing to devote his or her life to the church may be prepared for that service. This should be made a part of the Missionary and Benevolent program of the Conference.

May I conclude this report with a special commendation for the District Superintendents and pastors who have so notably promoted the program of recruiting for the ministry this year, and offering the following resolutions from the Conference Board of Ministerial Training:

1. That in order to establish uniform standards for all licensed ministers, all candidates for license to preach be required to take the Course for License to Preach under the direction of the Board of Ministerial Training in the Summer School of Ministerial Training.
2. That the minimum educational requirement for Accepted Supply Pastors be graduation from High School or preparatory school of standard high school rank, or a certificate from the State Board of Education, signifying that he candidate has successfully passed the examination provided for adults by the State Department of Education. a. That this requirement be effective with the session of the Annual Conference in 1950. b. That graduation from a Junior High School or completion of the first year of the four-year high school be the minimum requirement effective with the Annual Conference session in 1948.
3. That the Cabinet be requested to make every possible pro-

vision for student pastorates in sections adjacent to Colleges throughout the State and that students preparing for the ministry be given preference in the appointment to charges manned by Supply Pastors in such territory as is accessible to college.

REPORT OF BOARD OF MISSIONS AND CHURCH EXTENSION

Report of Conference Missionary Secretary

The responses of our people to the World Service and Conference Benevolent program has been gratifying indeed. Reports indicate that our Conference will pay its assessments one hundred percent, if not more. Missionary Institutes were held in every district this year. The Board of Missions worked in cooperation with the Woman's Society of Christian Service with an united program. This is proving to be an excellent plan which assures a good attendance at the Institutes. We were fortunate in securing an effective team of workers last year who spoke to large and enthusiastic crowds.

The Conference Missionary Secretary feels that the task of promoting missions in our conference is so great that even the best of attention on his part would be far inadequate. Therefore he recommends that our Conference employ a full-time Promotional Secretary who will promote the cause of missions. When we remember that the State of West Virginia is the most needing Missionary Field east of the Mississippi River, that only 27 per cent of our people are members of any church, and that Methodism is responsible for a larger proportion of these unchurched people than any other denomination, it is time that we did more than the usual thing. The urgency of action is upon us.

The Conference Secretary further recommends that a District Board of Missions be established in every district who will have the responsibilities of enlisting the help of laymen in making surveys, establishing new churches, and which will cooperate with the District Superintendent and District Secretary in presenting a sound program of promotion for the District.

The Conference Secretary again urges that the District Superintendents exercise sound judgement in selecting District Secretaries.

The Conference Secretary recommends that the District Secretary be supplied with forms on which he can make an annual report to the Board of Missions. This report will include his activities and accomplishments in the district during the year.

L. D. ROE,
Conference Missionary Secretary

BOARD OF MISSIONS AND CHURCH EXTENSION**Recommendation**

The Board of Missions and Church Extension respectfully recommend to the Bishop and Cabinet the reappointment of Rev. L. D. Roe, Conference Missionary Secretary.

The Board of Missions and Church Extension respectfully submit the names of Homer W. Wiseman, layman, and R. Moorman Parker, minister as nominees for election to the General Board of Missions and Church Extension, as required by the Discipline.

The Board of Missions and Church Extension, recommends that the Conference attempt to attain a goal of 12,000 copies of the Mission Study Book circulated this fall.

ASKINGS**(Supplement)**

A last minute or emergency application for \$1,000.00 to West Williamson Church was granted by the Board.

I. S. TYLER, Chairman
HOMER W. WISEMAN,
Secretary.

**REPORT OF THE SURVEY COMMITTEE APPOINTED BY THE
BOARD OF MISSIONS AT THE REQUEST OF THE
CONFERENCE CABINET**

After careful study and several years of experimentation it is the opinion of the Survey Committee, and in this the Board of Missions and Church Extension concurs, that the great opportunity of the West Virginia Conference can best be met and realized by the placing of an executive secretary in the field with authority to devote full time to this important work. We recognize that the district superintendents and full-time pastors do not have time to assume these extra and great responsibilities.

The duties and responsibilities of such an executive would be as follows:

1. To represent the Board of Missions in evaluating the urgency of projects so the most urgent can be cared for first.
2. To promote missionary interest in the conference by education, cultivation and thru mission specials for the development of projects in West Virginia.
3. To work under the direction of the Board of Missions and Church Extension and in co-operation with the District Superintendents in studying and developing missionary projects. This will also aid in sustaining long-term planning.

The Board of Missions and Church Extension earnestly recommends that a man be appointed for these responsibilities.

Respectfully submitted,
Board of Missions and Church
Extension
JAMES CLAIR JARVIS,
Secretary
The Survey Committee

REPORT OF THE RESERVE PENSION FUND COMMITTEE TO
THE WEST VIRGINIA ANNUAL CONFERENCE

Appreciation

What began a short seventeen months ago as a high venture of faith has come to fruition as blessed fact. Hebrews 11:1 has again proven true in that our faith has made what we hoped for reality. It would be impossible to write the romantic and stirring story of the Reserve Pension Fund Campaign in a short report, for time and space do not permit it, yet one would be callous indeed to overlook the valiant comrades who served so loyally by our side. One who has gone through such an experience knows full well the utter impossibility of succeeding alone. We did not fail, and shall not fail because of those who have stood in the breaches and held the line. To each of them belongs a part of the success which we enjoy today. There names and deeds are recorded in the Book and shall ever remain inscribed on the hearts of those who have had the oversight of this undertaking.

To Bishop James H. Straughn, comrade, brother and advisor, who has given leadership, encouragement, time and money, without stint; to the Cabinet of this conference who have labored with love and enthusiasm; to Mr. Foss Curtis, Conference Lay Leader and the laymen of this conference, who have taken a large share of responsibility and have stood loyally by until this hour; to the officers and leaders of the Woman's Society of Christian Service who have as always, been our friends and co-laborers; to the eleven hundred members of the "Committees of 100" who have provided an enthusiastic liaison in local churches; to the sub-district leaders who have labored ceaselessly and long; to the five hundred pastors upon whose shoulders the major responsibility fell and who, therefore, deserve the major credit; to the five hundred charge treasures and seventeen hundred local church treasurers who have been faithful stewards of the collections; to the approximately fifty thousand contributors who have believed and therefore given; to Dr. Thomas A. Stafford and Dr. Charles Calkins of the Board of Pensions at Chicago whose wise counsel, expert leadership and sympathetic friendship assured us that what we were attempting was right and impossible; to the Committee of Eleven who have given every support and have been a strong tower and a rock of defense; to Dr. Rowland Aspinall, Executive Chairman of the Committee, who has been a brother beloved, a devoted co-laborer, a zealous partisan, a wise advisor and a reservoir of calm and quiet faith; and to all the unnamed friends upon whom we have leaned in these days and upon whose support we have depended we give our thanks and express the grateful appreciation of our hearts. Our prayer shall ever be "that, when the angel comes to write the names of those whom the love of God has blessed, their names shall lead all the rest."

The Campaign

The campaign began officially on May 1, 1946, though it had been in embryonic stages for at least two years prior to that time and had been an oft expressed desire for more than a decade. The first phase, that is the informational, lasted five months and was devoted to the writing, publication and distribution of literature. With that literature you are familiar. It has gone from Main to Texas and from Florida to Oregon. The story of the campaign has been published by the Board of Pensions in a booklet titled, "How to raise money in a Reserve Pension Fund Campaign which has been distributed throughout the church.

The second phase (organizational) began October 1 and lasted six weeks. During that time every district, sub-district and local church was organized, canvassers trained, literature including pledge cards, envelopes and promotional literature distributed. The size of this operation may be understood when one knows that over three tons of literature, which meant over one million pieces of various kinds were sent out.

The third phase (the pledging period under the title "Days of Destiny") began November 17 and closed December 15. What days they were! What a thrilling experience. The record shows that 44% or \$437,660.00 had been pledged at the end of the first week, 62% or \$619,860.00 at the end of the second week, 69% or \$736,228.00 at the end of the third week, 81% or \$859,205.00 at the end of the fourth week, and at the end of the fifth week we had gone over the top with a total of \$1,002,278.00. The pledges kept coming until the total reached \$1,060,000.00. Was ever a story more romantic and thrilling? Was ever such an honest appeal responded to more enthusiastically? Were ever more hearts so solidly behind a program? But it was one thing to get pledges and another to collect the money, or so we had been told. However, our people had shown before that they did not pledge lightly and having made pledges they expected to meet them. Payments began to come in on November 1, 1946 and have continued in an unabating stream until now. Today, ten days before the opening of the Annual Conference, we are well beyond one half million dollars and have sent \$450,000.00 to the Chicago Office. The earned interest on the sums we have deposited amounts to \$5,591.00.

The deposits are made in the name of Mr. Harry R. Howell, our efficient and devoted treasurer, and out of his account payments are made to proper source on requisition from our office. The Director handles items of office expense, travel, salaries, etc., through funds requisitioned from the treasurer, and an accounting of those funds appear in this report.

The amount expended for this office including all items of every nature bid fair to remain inside the 4½ to 5% of the gross amount of anticipated collections, and it is our earnest expectation to collect \$1,000,000 beyond all cost. It seems like a miracle when one considers that printing, travel and other costs are from fifty to seventy-five percent higher than when the budget was set up sixteen months ago.

Future

Everyone knows that the last half is the hardest. Whether it be a football game, a race, a life or a campaign such as this. Some do well for a while and then turn aside. As with Zophar, Demas is yet among us and it would be foolish to indulge in wishful thinking or optimistic romanticism or roseate dreams. The task before us is not easy. There is no time to pause beside elysian fields and muse of victories past. The second half million dollars will come, as with the first, through dint of plan, and purpose and pursuit.

To that end we dedicate ourselves and say as in the beginning, "all we have and are, or ever can be, belongs to this task until its done." That we shall collect the million dollars there is little doubt. Some may grow weary and fail and forget, a few may be unable to pay and renounce their obligations, but others will come to fill their places and the falling torch will be gathered up in eager hands and carried forward, for we dare not fail. Ours is a sacred task, ours is a blessed privilege, ours is a consuming passion. We dedicate ourselves to the end "that at eveningtime there shall be light."

Therefore, we move forward with plans for the coming year. November sixteenth will see the first "Day of Remembrance" program in operation. This you know was set aside by the Annual Conference in order to provide opportunity to promote the cause of the retired minister. Posters have been prepared, envelopes printed and plans perfected to make this "Day" successful. Further plans are under way which will set March 1, June 1, and September 1, as times of emphasis and "pay up" in our collection program. These along with visitation, letters, district meetings and other means of constant cultivation mark out the way before us in the year ahead.

So it is that the dreams of many of us come true. Our retired ministers will profit immediately through a decided increase in their annuities, our young ministers will be encouraged to remain in the conference which gave them birth and the West Virginia Conference will have taken another long step forward toward her proper place of leadership in the affairs of the holy church. Thus the saga of a mighty movement is told, and because we know that human hands and hearts and minds were unequal to the task we turn as in the beginning to appreciation, not of men, but for the strength and guidance and love of one who knows all about us and therefore knows how much we needed and need Him.

Recommendations

1. Be it resolved that this Annual Conference,, having voted to enter the Minister's Reserve Pension Fund under the terms and provisions described in paragraph 1642 - 1655, Discipline of 1944, and having in cash and subscriptions an amount sufficient to begin its successful operation, hereby designates the class of ministerial members received into full connection at this conference session of 1947 as the first class of "new entrants."

2. That each "previous entrant" and *qualified Supply Pastor* shall be required to contribute annually an amount equivalent to 2% of his cash salary including 15 per cent thereof as house rent allowance, or of the "average salary" of the conference, whichever is less, which contribution shall be credited to the member's account as a member of the Partial Reserve Pension Fund in accordance with the rules and regulations of the respective Funds.

3. That each District Superintendent be instructed to submit to the committee on Reserve Pensions, annually on or before the first day of the Annual Conference session, a list of all Accepted Supply pastors on his district who qualified for participation in the Supply Pastors Partial Reserve Pension Fund during the preceding Conference year.

4. Be it further resolved that the funds held by the Board of Pensions for the Reserve Pension Fund of the Conference shall be set aside as follows: 21 per cent to the "Previous Entrants" fund, 40 per cent to the "New Entrants" fund, 32 per cent to "Conference Claimants" fund of the Reserve Pension Fund, and 17 per cent to the Accepted Supply Pastor's Fund, and that future funds paid to the said Board shall be allocated by it according to the above percentages and paid out under the provisions of the Ministers Reserve Pension Fund. It is understood that general collections for the fund are not subject to this distribution but are to be held by the Board under the title General Reserve Pension Fund of the West Virginia Conference and used at the direction of the conference.

5. Be it further resolved that the conference ask the committee on Reserve Pension Fund to continue the campaign now in progress until October 1, 1948, or so long there-after as is necessary, in order to complete the work committed to its care.

6. Be it further resolved that the conference calls attention to the establishment of the third Sunday in November as a special time of promotion of the cause of the retired minister and urges that measure of cooperation which will insure success.

7. Be it resolved that the following named persons shall con-

stitute the Committee on Reserve Pensions of this conference until their successors have been elected: Rowland Aspinall, George W. Bright, Harry R. Howell, W. Foss Curtis, S. B. Hart, Mrs. C. C. Hyre, B. M. Mitchell, George S. Snodgrass, H. V. Wheeler, A. Argyle Knight.

Howell, Rowland Aspinall, George W. Bright, B. M. Mitchell and Frank L. Shaffer. L. E. Bee was absent due to the serious illness of Mrs. Bee.

BOARD OF PENSIONS OF THE METHODIST CHURCH OF THE WEST VIRGINIA CONFERENCE

Preamble:

In view of the fact that we have functioning within the West Virginia Conference of the Methodist Church three distinct groups handling retirement funds and affairs; and in view of the fact that this condition is certain to cause conflict in management and procedure; and in view of the fact that it seems the part of wisdom that these groups be combined and that the rights, duties, privileges and responsibilities be administered under one board or commission, be it resolved:

I. That there shall be a Board of Pensions of the West Virginia Conference of the Methodist Church.

II. That the said Board of Pensions of the West Virginia Conference of the Methodist Church (hereinafter referred to as the Board) shall be responsible for all matters pertaining to pensions within the West Virginia Conference of the Methodist Church (hereinafter referred to as the Conference) including the duties and responsibilities to as the Conference) including the duties and responsibilities heretofore performed by the Board of Conference Claimants, The Permanent Trust Fund Commission, and The Committee on Reserve Pension Fund.

III. That the Board shall be divided, for purposes of administrative work, into three divisions, namely, Division of Conference Claimants, The Division of Trusts, Investments and Finance, and The Division of Reserve Pensions.

IV. The Board shall be constituted as follows:

The Conference shall elect, at the session of 1948, the members of the three divisions heretofore referred to, in classes of one, two and three years.

There shall be twelve members of each division, made up of effective ministers and laymen in equal number.

When elected the thirty-six members of the three Divisions

shall constitute the Board.

V. Division of Conference Claimants

1. The Division of Conference Claimants shall be responsible for carrying on these assigned to the Board of Conference Claimants as prescribed in the Discipline of the Methodist Church, paragraph 1613, with the exception that the actions, as in the case of every other division, shall be subject to the approval of the Board.

2. The Division of Conference Claimants shall report to the Board the names, addresses, and years of service of the Conference Claimants; the names of those who have died during the year; the names of dependent children of deceased members of the conference; and shall show separately the amount paid to each by the conference from the annuity and assessment fund.

3. The appropriations to the Conference Claimants shall be subjected to the approval of the Board and the conference.

4. The Division of Conference Claimants shall make a report to the General Board of Pensions immediately following the session of the Conference and upon the forms provided for that purpose by the General Board of Pensions.

5. The Division of Conference Claimants shall constitute the committee on proportional payments of ministerial support for the purpose of comparing the records of amounts paid on support of pastors and Conference Claimants by each pastoral charge computing the proportional distribution thereof and keeping a permanent record of defaults.

6. The Division of Conference Claimants shall administer all annuities and relief provided for the benefit of accepted supply pastors.

7. The Division of Conference Claimants shall investigate carefully all claims made on the basis of special need and the secretary of the Division shall obtain annually in advance as much information regarding the condition as may be available in order that the Division of Conference Claimants may have before it the facts necessary to designate the amount of relief to be granted in each case.

8. The Conference, upon recommendations of the Board, shall designate a bank or other depository for depositing funds held by the Division of Conference Claimants.

9. When it is deemed expedient the division of the Conference Claimants may build up a reserve fund for the income of Conference Claimants in order to stabilize the annuity rate payable in the Conference. Such reserve fund should be, at least, equivalent to 25 per cent of the average annual income of the Board of Conference Claimants for all purposes for five years immediately preceding. Such reserve fund shall be held as the Board and the Annual Conference shall direct and shall be subject to the requirements of Section I.

VI. Division on Reserve Pensions

1. The Division of Reserve Pensions shall have the oversight of all matters pertaining to the Reserve Pensions. They shall adjudicate all questions pertaining to the fund and shall co-operate

with the General Board of Pensions in the administration of the fund.

VII. Division of Trusts, Investments and Finance.

The Division of Trusts, Investments and Finance shall have charge of all permanent and invested funds which come to the Board. It shall be responsible for the investment of the same and shall report to the Board and turn the net earnings over to the Board for inclusion in the distributable funds handled by the Division of Conference Claimants.

It shall manage all real property coming to the Board or which now belongs to any Division of the Board.

VIII. Organization: The Board

1. The Board shall be called together immediately following election by a person designated by the presiding bishop.

2. They shall organize by electing a president, vice-president, secretary and a treasurer.

3. They shall appoint such committees as are deemed necessary in the manner decided upon by a majority of the members present and voting.

IX. Organization: The Divisions

1. Each Division shall be called together, immediately following the meeting of the Board, by a person designated by the President of the Board.

2. Each Division shall organize by electing a chairman, a vice-chairman, and a secretary-treasurer.

3. They shall appoint such committees as are deemed necessary in the manner provided in section seven, article three.

X. Budget:

1. An annual operating budget shall be set up each year at the time of the Annual Meeting.

2. A committee of the Board representing the three Divisions shall be appointed in the prescribed manner.

3. They shall study the needs, pro rata responsibility of each Division and report to the Board.

4. When the budget is adopted the treasurer of each Division shall turn over to the treasurer of the Board the amount agreed upon.

5. The budget shall be of such character and size as to care for Board meetings, general expenses, and such items as are within the scope and administration of the Board.

6. Meetings and other expenses of the Divisions outside the agreed budget shall be borne by the Divisions.

XI. Charter

1. The Board shall operate under a charter granted by the State of West Virginia.

2. The Charter of the Permanent Trust Fund Association shall be amended in such manner as to become the charter of the Board.

3. The thirty-six members of the Board shall become Trustees as provided by the charter.

XII. Director

At the discretion of the Board an Executive-Secretary may be appointed with the approval of the Conference.

XIII. Procedures

In order to facilitate the organization and functioning of the above the following procedures are suggested:

1. The three committees and commissions heretofore referred to shall continue to serve until their successors have been elected.

2. During the conference year 1947-48 the committees and commissions shall meet together and function as a whole, except in those matters which are of a legal or disciplinary nature and must be dealt with as such.

3. The services of competent legal advice shall be sought in all matters dealing with the changing of charter, handling of funds and other procedures which may require the same.

XIV. It is understood that nothing in this paper contemplates the changing of any funds from the purposes designated by their donors.

COMMITTEE ON RESOLUTIONS

Your Committee on Resolutions wishes to remind you that many hours and days of labor on the part of a great number of people were spent in preparation for the entertainment of this Annual Conference.

While we have been in Clarksburg we have been shown every kindness and courtesy by everyone who has had anything to do with our entertainment.

The business of the Conference has been dispatched in the usual efficient and brotherly way which has characterized our Bishop's leadership all these years with us.

The visiting speakers representing various causes of the church have brought us inspiration and enlightenment. Bishop Hughes has stirred our hearts with his Messages.

All this adds up to one of the best sessions of the Annual Conferences we have ever had, made possible by the following which we wish to list for our special thanks:

The host pastor, Dr. J. E. Hanifan and his Associate host pastors of the several Methodist Churches in the city.

The Committee on Local Entertainment, Roy F. Ash, City Manager, the Press, the Radio, City Officials, the Ministerial Association, the Homes of the people which were opened to us, the Boy Scouts, the Choirs of the Methodist Churches of the city, and the Symphonic Choir of the City of Clarksburg.

Guest speakers on our program were: Dr. T. A. Stafford, Dr. J. Richard Spann, Dr. Graland P. Hopkins, Miss Dorothy Weber, Dr. Robert Boothe, Dr. George L. Glauner, Dr. G. Ray Jordan and Bishop Edwin Holt Hughes.

Bishop James H. Straughn, who has our affection and prayer.

Be it resolved, that to all of these we express our deep and abiding gratitude.

The Committee.

AN APPRECIATION TO JAMES H. STRAUGHN

There is now one Methodism in West Virginia. Since the historic year 1939, three Methodist branches have been successfully welded together. Our border-line state of West Virginia called for the very wisest and best Bishop to be had. Any Bishop not possessing good sense and absolute impartiality could have detracted from the success of West Virginia's merged Methodism. Concerning our own Bishop, we quote from the District Superintendent's report of 1940:

'He brings to the Conference a warm heart, a brotherly spirit, a deep consecration to the Master's work, a love for and an understanding of men. We are indeed fortunate in having his wise leadership to guide us in this period of transition.'

Since 1939 the Methodist Church in this State has made rapid and solid gains in every department of churchmanship.

WE recognize the fact that he giant forward strides of West Virginia Methodism cannot be distributed to any one man. A general consecration has energized the great laity as well as the clergy, so that a splendid teamwork has been the result. But after all credit is given the church members and their pastors, the outstanding truth remains—Our Resident Bishop James H. Straughn has been an effective servant of God in leading West Virginia Methodism to its very noblest and highest as a merged church. To the many who have known him intimately, he has proven a delightful companion, both in the lighter realms of social fellowship and as a minister of God, capable of carrying a truly heavy part of the work of the Methodist Church in our State. He has so labored as Methodisms' chief administrator among us that the fruits of his work will still be in strong evidence long after his retirement.

It is with gratification that we read the Christian Advocate report that the Pittsburgh Area has become the largest of all the 33 Episcopal Areas, if the criteria is in the matter of preaching places. Bishop Straughn's Area has 2,494 preaching places.

We believe that every humble corner of this largest Area has a place in the heart, the mind and the prayers of our good, gray Bishop. Any true Bishop in our system will desire, above all else, to serve God and be deemed a brother to every Christian, lay or clerical, in his Area. We believe that our brotherly friend, Bishop Straughn, is so deemed by those.

In reviewing the past eight years, we are reminded of some tangible results of his administration. For instance:

1. The Area Activity Program, from January 1, 1942 to Easter 1942, wherein 5,371 new members were received into the church. The Easter offering for this year was \$53,170.

2. Great success attended the Area Visitation Evangelism Campaign.

3. The Greater Wesleyan Movement received his support and leadership.

4. The years from 1944 to 1948 are seeing the development of the Crusade for Christ. The amount of \$625,000.00 was given for

rehabilitation. Over 15,000 members were received during the year of Evangelism. The results of the years of Stewardship and Church School Activity can only be evaluated in the years to come.

5. Besides all this, our Bishop played a definite part in the success of the Reserve Pension Fund Campaign.

6. As to final evaluations, let us note that in 1940 the membership of our Conference was 178,916. Today it is 204,356, a gain of 25,440. In 1940 Benevolent giving amounted to \$119,078. Today it totals \$190,298.

The law of the church says that Bishops must retire when the designated age limit has been reached. Happily, it has been and is being demonstrated that his so-called retirement is not as complete as a causal opinion might indicate.

Because of the untimely death of some Bishops, retired Bishops have been called back into the task of presiding over Annual Conferences. These Bishops, by reason of much experience, render large and vital service to the church they love. The law can retire a Bishop, but let it be said gratefully that no law can or care to keep a retired Bishop from preaching the Gospel. We know that our own Bishop Straughn will enter a technical retirement, but we also know that he will be in constant demand as special preacher to as great an extent as time and health will permit.

We express these paragraphs of appreciation to a vigorous, spiritual leader, whose presence among us has been a joy and blessing. Although this, presumably, is the last time he will read our West Virginia Conference appointments, he will be in our thoughts. As he will be praying for the churches, the laymen and laywomen, and the preachers of this Conference, so shall we be praying for him, that Almighty God may use him in the great vineyard of Jesus the Christ for many years.

REPORT OF THE BOARD OF TEMPERANCE

Every thinking person is fully aware of the grave danger to our society that is found in the intemperate attitudes and activities around us. With mounting divorce rates, continued crime and delinquency among both adults and juveniles; an alarming indifference among our people as they face these things; all coupled with a growing traffic in alcoholic beverages, both legal and illegal, give us cause for grave concern for the future of our society, our nation, and even our church.

But there is some hope, and there have been some advances made during the past year. Constantly our people are being led into firmness in their attitudes toward social questions, and the laws of our state are being more strictly enforced. During the past year several raids by our state police and other officers have at least lessened the practice of the sale of hard liquors and of gambling in the clubhouses of fraternal, social and veterans organizations. The move to legalize these practices was lost in the State Senate and federal authorities have apprehended and are now prosecuting a large group of dealers in illegal liquors in the northern part of the state. This fact not alone relieves the community of the menace of such organizations, but it also furnishes additional proof that the charge that bootlegging coming through prohibition is a intentional falsification of the facts on the part of the supporters of the traffic in alcoholic beverages.

Nevertheless we cannot be content. There is yet before us much work to be done. Souls are to be saved from crime and debauchery. Lives must be protected from the drunken and criminal. More than that we must mould lives after the pattern of our Master. We must promote positive goodness and righteous attitudes and motives. To this end we present the following recommendations:

1. That we continue to teach, preach and practice temperance and sobriety. That our people be urged to totally abstain from the use of alcoholic beverages; that our young people be trained to live useful lives and that we insist upon wholesome literature in the homes of our members.
2. That our churches offer to the people of the communities which they serve, Christian recreation and fellowship.
3. That we pledge our loyal support to our own General Board of Temperance and that we publicly present its work and goals to our peoples.
4. That we give loyal cooperation to those kindred organizations, who are laboring with us to promote the cause of temperance.
5. Recognizing that during the coming year we will nominate many candidates for public office; that we seek to make the cause of temperance an issue during the period of the political campaigns; that we support these candidates who are loyal to the best interest of our society, and that in our state elections we insist upon the nominations of those candidates who will enact legislation either to grant local option

elections on the sale of beer, or to declare beer to be the intoxicant that it is. In this connection, we recommend that special emphasis be placed on the cause of temperance in the sessions of the district conferences.

We further resolve:

1. We commend the Council of Bishops for their sponsorship of the New Temperance Advance Movement under the leadership of Bishop W. E. Hammaker and pledge to them full cooperation and hearty support of the West Virginia Conference.
2. That we fully endorse the West Virginia Anti-Saloon League in its program of work in West Virginia.
3. We are grateful to Dr. Robert C. Boothe for his presence with us today to speak to us on this cause.

Respectfully submitted,
Board of Temperance, West Virginia Conference.
W. A. Debar-Chairman.

REPORT OF THE TOWN AND COUNTRY COMMISSION

The Town and Country Commission of the West Virginia Annual Conference presents, for your consideration, the following report: The membership of the Commission met January 7, 1947 in the First Methodist Church, Buckhannon, for the purpose of effecting the organization and to frame certain plans and policies pertaining to the duties of the Town and Country Commission. One of the major items which came before the group was the matter of selection and financing the delegation to the National Methodist Rural Life Conference which met in Lincoln, Nebraska, July 29-31, 1947. Through the cooperation and sympathetic understanding the invaluable assistance of the Board of Missions and Church Extension, the Conference Board of Education, the Commission on World Service and Finance and the Board of Evangelism, the Town and Country Commission was able to defray most of the travel expenses of 24 delegates, including 5 District Superintendents. Other agencies of the Church, such as the Conference Woman's Society of Christian Service, the Board of Lay Activities, and the Board of Deaconesses, sponsored representatives from their own ranks which gave our Conference a delegation of 32 members. And in this connection, the Town and Country Commission wishes to express its sincere gratitude to every group and agency of the Church which gave of their means and moral support to help make the National Methodist Rural Life Conference, in words of one of the attending Bishops, "The most significant meetings of the Methodist Church in this quadrennium."

Your Town and Country Commission is not primarily concerned with the perplexities which haunt the Country-side parishes in Nebraska. We are far more interested in the country-side churches within the borders of our own West Virginia Conference. Especially do we seek some formula which will give relief to the pastors and

parishoners who worship in the 1018 churches in communities of fewer than 100 population. With our hearts, our hands, our souls reaching in the direction of these spiritually stranded Islands of Patmos are compelled through our judgment and sympathy to make the following recommendations to this Annual Conference.

1. Recognizing that the purchasing power of the dollar to be identical in value whether in the purse of the Accepted Supply or the pocket a member of the Annual Conference, your Town and Country Commission recommends that the minimum salary be the same for all men in the active ministry whether they be in full conference connection or in the category of Accepted Supplies.

2. The Town and Country Commission recommends the appointment by the District Superintendents a committee in each district of the Conference for the purpose of working with the District Superintendent in making a survey looking forward to the consolidation of some of the weaker churches and the withdrawal of our ministers from some fields where other denominations are stronger and can serve the people better. We invite the cooperation in this enterprise.

3. When two or more pastoral charges overlap and compete for the Methodist living in the same area, we desire to go on record as discouraging the use of sustentation or mission funds for the purpose of keeping more than one minister in this particular area.

4. The Town and Country Commission recommends that a "Larger Parish" be established somewhere in the bounds of the West Virginia Conference, to be used as a training center.

5. We believe that the rural Church could be more effective if the rural ministers did not have to serve more than a maximum number of 4 churches. We consider four churches a maximum number to be assigned to any one pastoral charge and that it shall be the policy of this Conference to work toward that goal.

JOHN L. WOLFE, Chairman

E. N. CARLSON, Secretary.

REPORT OF CONFERENCE WOMAN'S SOCIETY OF CHRISTIAN SERVICE

It is again my great privilege to bring to this body of Ministers of the West Virginia Conference, the report of the work done by the Woman's Society of Christian Service. I believe you will find it a glowing picture. The results of their work reflect the love of God for our fellow men.

Are women making full distinctive contribution to the life and work of the churches or, are they "second class citizens" of the churches? Is there a general attitude that the distinctive contribution of a woman in the local church does not include her ability to have a place in its policy making bodies at a time when, in life outside the churches, women are on an equal basis with men in policy making boards and committees of all kinds? Is it men who hold this attitude, or do women themselves believe that they must be seen and not heard in the life of the church?

A Committee is at work studying this problem, made up of women representing the interdenominational organizations of women, The American Committee of the World Council of Churches and Committee of the Department of Research and Education of the Federal Council of Churches.

The data which the Committee hopes to secure will show three elements of the picture. The kinds of activities undertaken in local organizations of Church Women. The extent to which women share in the actual governing of their local churches, and the degree to which this is increasing both in volume and effectiveness, the attitude of the women of the churches to the whole problem.

The theme for the Conference was "The Status and Responsibility of Women in the World Today." The field for this study was presented by four addresses:

1. The Status and Responsibility of Women in the United States Today."
2. The Status and Responsibility of Women in Latin America.
3. The Status and Responsibility of Women in Europe.
4. The Status and Responsibility of Women in the Orient.

Our Theme for 1948—"Make His Way Known," and our studies for the year are built around these problems we are trying to solve — Namely, "World Evangelism." "We, The People of the United Nations" and "Great Prayers of the Bible." In these studies we have learned that we must be interested in all phases of the church. The Mission Board — The Board of Education — The Rural Church movement, and because of this interest we sent two delegates to Lincoln, Nebraska, one a member of W. S. C. S. in a rural community, and one a rural Field Worker. They in turn will permeate their knowledge gained, throughout the Conference. We are interested in a Field Worker in the Mission Field of the Conference on the same basis as the Educational Field. We are fast learning that to do effective Christian work, we must be educated in the different problems and needs of the church—Evangelism—Missions—Education—Christian Social Relations—Politics (not Party, but

Principles) Economics—Family Church—The Youth and Children. This is a wide field, but it must and is being covered by the W.S.C.S.

In our study of World Evangelism and "We the People", we have a wider vision of our duties as Christian women. We know that we cannot be happy and satisfied in our Christian lives while our brothers and sisters in other parts of the world are suffering through unjust and unchristian practices.

To help meet these needs there have been eight of our Conference Officers in attendance at the Ocean Grove School of Missions. They in turn have set up seminars to be conducted in each District. In some Districts two seminars have been held. In our Conference Christian Workers School in Buckhannon, we had 122 women enrolled for credit work.

Again, we plan to have our joint Institutes in co-operation with Dr. Roe, Conference Missionary Secretary. Mrs. F. B. Godfrey will be the speaker for W.S.C.S.

Our Home Missionary work is progressing splendidly. One of the very bright spots in our work is the continual growth of numbers of young women training for full time services. We now have the names of eight young women, in training. Two of our candidates were commissioned in June, one for deaconess and one for work in Foreign Fields.

COMMISSION ON WORLD PEACE RESOLUTION NO. 1

Inasmuch as we covet for our nation a profound moral leadership, we hereby oppose compulsory military training of our youth in peacetime on the following grounds:

Whereas, first, Conscription is unilateral action and thus threatens the United Nations Organization and all efforts toward world cooperation, and second, Whereas Conscription arouses the darkest suspicions of all nations, provoking them into competitive armaments and hostile camps, and

Whereas, third, Conscription is no protection, because it is based on obsolete notions of warfare and has little relevance to the atomic age, and

Whereas, fourthly, Conscription, the disastrous pattern of European militarism, and

WHEREAS, fifthly, Conscription would regiment our youth and expose them to the dangers of barrack's life at a most crucial and impressionable period in their lives, and

WHEREAS, sixth, Conscription would establish an undemocratic system aimed at unquestioning obedience to military authority and constitute a totalitarian threat to religion, education, morals, labor and business, therefore be it

RESOLVED that West Virginia Methodism oppose with all our might the UMT bill known as H.R. 4278 and plead with all Americans not to throw away our nation's chance for world moral leadership, rather that our nation be placed on the side of cooperation, friendship and peace.

RESOLUTION NO. 2

Whereas, a report comes to us on Sept. 11th from the Commission on World Peace of the Methodist Church (the Chicago office) with reference to the Civilian Service Camp Fund for the payment of our "debt of honor" to the historic peace churches for their care of our conscientious objectors, and

Whereas, our West Virginia Conference still has an unmet responsibility as of September 1st, 1947 of \$527.32, therefore be it

Resolved that this "debt of honor" be referred to the Commission on World Service and Finance or to some other responsible agency of the Church, or that the sum be raised as a special fund in the conference, so that our church may be clear with reference to this Christian obligation.

RESOLUTION NO. 3**VETO POWER OF THE FIVE PERMANENT MEMBERS OF THE UNITED NATIONS SECURITY COUNCIL**

Whereas, the United Nation's was organized to insure world peace, and

Whereas, the Security Council of that organization is commissioned to watch over the same, and

Whereas, five of the eleven nations sitting on that council have the power of VETO, and

Whereas, THIS VETO POWER makes it possible for one nation to render impotent the wishes of the other ten, and

Whereas, this privilege renders the United Nations impotent to maintain world peace, we therefore pray and

RESOLVE that this veto privilege be speedily removed and rendered inoperative in the actions of the Security Council, and in its stead, we further pray that all parties concerned may determine their future actions and decisions upon the more Democratic principle of the MAJORITY rule, and that the majority rule be the means of arriving at all decisions of the Security Council of the United Nations Organization, as a means of fostering World Peace and understanding.

We further resolve and pray, that all parties and nations concerned, come to realize that true Democracy is of God and that the rule of the majority is a true Democratic principle and may well be employed to impress upon the world consciousness, the sacredness of human life and personality and the rights of the individual.

REPORT NO. 2

COMMISSION ON WORLD SERVICE AND FINANCE

1. RECOMMENDATION PERTAINING TO THE EPISCOPAL RESIDENCE —

The lifting of the rent ceilings by the Federal Government has made a most difficult situation in the renting of the apartment occupied by the resident Bishop of the Pittsburgh Area in Pittsburgh. There is no question but that those in charge of the apartment are making the most of the privileges given them by the government but this to the embarrassment of the present Bishop and to what will be the embarrassment of the future Bishop.

We recommend a grant of \$200.00 from the Conference Reserve Fund towards the rent of the apartment occupied by the Bishop of the Area from September 1947 to September 1948; this amount will be matched by equal amounts from the Erie and Pittsburgh Conferences.

The purchase of an episcopal residence in Pittsburgh is contemplated. There is available towards the purchase price the money realized from the sale of the former episcopal residence. During

the years some money has accumulated from the Area Fund, due to the careful administration of the fund by Bishop Straughn.

We recommend that the West Virginia Annual Conference approve that such money as the Pittsburgh Church Union and the resident Bishop shall deem wise, to be taken from that accumulated Area Fund and applied toward the purchase price of an episcopal residence, it being understood that when such a home is bought, the West Virginia Conference will have a representative on the Committee. The further financing of the purchase of the home for the Bishop of the Area can probably be taken care of by the rental allowance made by the General Commission on World Service and Finance.

11. RESERVE FUND.

Last year your Commission held as a reserve fund \$1928.53, which was the amount over and above 100 per cent paid on Conference Benevolences 1945-46.

We recommend the following disposition of this fund: That \$500.00 be paid on the expense of 5 delegates to Lincoln Conference. That \$200.00 be paid on rental of the apartment used as the Episcopal residence in Pittsburgh. That the balance \$1,228.53 be transferred to Conference expense fund.

111. RESERVE PENSION FUND PLAN

We recommend that since the Conference has voted to enter the Reserve Pension Fund and that since personal payments of the ministers are to be made to the fund in accordance with the disciplinary requirements, the 1 per cent heretofore be paid to the distributable fund be discontinued.

We recommend that, in harmony with the recommendations of the Reserve Pension Fund Committee, the campaign be continued through this year as planned and thereafter until the subscriptions have been collected.

VII. MEMOIRS

ARTHUR LAZENBY

Arthur Lazenby was born October 21, 1869, the son of George and Elizabeth Lanzenby, at Stockton-on-Tees, Durham County, England. He joined the Wesleyan Methodist Church in early youth and was received as a Local Preacher in 1890. He was educated in the National Schools and in the Saltburn Collegiate School under the University of Cambridge Curriculum. He received certificates from The Cambridge University and the Royal College of Science, London.

He married Mary, the daughter of Christopher and Mary Myers Chandler, on February 16, 1897; their children were a daughter, Evelyn Edith, now Mrs. Floyd Bonar, of Fairmont, W. Va., and a son, George Chandler of Charleston, W. Va.

He came to the States in 1906 to join the West Virginia Conference of the Methodist Episcopal Church. He served the following charges: Ravenswood, Fulton, Hundred, McMechen, W. Huntington, Elm Grove, Warwood, South Charleston, Covington (Va.), Richwood, Rowlesburg, Philippi, St. John's in Grafton and. St Andrews in Grafton. He was retired under discipline rule in 1942.

His was that kind of ministry which is every field of organized Christianity remains its supreme source of power. Never rising to the seats of the mighty, unambitious for public notice, unresentful of obscurity, in whatever corner of the vineyard his lot was cast, he was content to labor cheerfully and faithfully, hoping for nothing. He had a rare capacity for friendship. Although a preacher of more than average ability, it was as a pastor that he was most successful. A true shepherd, gentle, warm-hearted, kindly, sympathetic, he went in and out of the homes of his parishioners radiating courage and high faith. He was essentially a ministry of reconciliation, manifesting that simplicity which is toward Christ. As age drew on, the shadows lengthened. Separation from his wife who had long been for him a true helpmate, an unfailing tower of strength, was a heavy blow. But even in bereavement, he remained the same brave steadfast man he had ever been. With faith undiminished he faced the sunset, greeting the unseen with a cheer, convinced that "we fall to rise, are baffled to fight better, sleep to wake." "For such as he, there is no death."

JAMES L. MARQUESS

The Rev. J. Lawrence Marquess set sail for the "Land of Pure Delight" and the "City That Lieth Foursquare" November 9th, 1946, just thirty-seven days after he had taken up his residence in the parsonage at Valley Head, West Virginia.

Rev. Marquess was born in Taylor County,, West Virginia March 10th, 1881. He was educated in the public schools of his native state and at West Virginia Wesleyan College.

He entered the Ministry of the Methodist Episcopal Church in 1908 and gave many years of valiant and faithful service to the

Kingdom of his Lord. He served fourteen charges during his Ministry — St. George; Horton; Aurora; Mt. Lake Park, Md.; Pine Grove; Masontown; Williamstown; Thomas; Covington, Va; First Church Parsons; Crumpler; Evansville; Beverly, and Valley Head.

The last thirteen years of his life was a continual battle with illness, but in spite of it he remained active, cheerful and courageous. At the time of his death he was serving an eight-point mountain circuit.

On April 14th 1909 he was married to Miss Iva Dale Talkington who became the mother of his four children: Marjorie (deceased), Eleanor (Mrs. Eleanor Lanham, Parsons, W. Va., Eugenia (Mrs. Eugenia Cullen, Covington, Va.) and E. Lawrence, Buckhannon, W. Va., and who labored faithfully with her husband in the promotion of the Kingdom, until her death.

On June 15th, 1932 Rev. Marquess was married to Miss Nellie W. Marshall of Covington Va., who became not only a devoted wife but an associate minister, and shared the preaching ministry through the years, and carried on the work of the charge after her husband's death.

Rev. Marquess was one of God's "good and faithful servants who never found a task too difficult, nor an appointment too hard. Toiling, sorrowing, rejoicing onward through life he went, compelled by his devotion to Christ and his love for humanity.

Funeral services were conducted by Rev. Stoneking Groves and Rev. A. F. Shomo at the Pleasant Valley Church in Taylor County.

"Servant of God, well done!

Thy Glorious warfare's past;

The battle's fought, the victory won,

And thou art crowned at last."

W. T. LANTZ

Rev. W. T. Lantz, son of James and Edith Lantz, was born at Phillipi, W. Va. June 8th, 1879, and died October 28th, 1946, at the age of 67 years. At that time he was serving the Gihon charge.

He was reared in Phillipi and educated in the schools there. He received his local license from the Meadowville Circuit, May 18th, 1906, and joined the Conference which was held in Huntington by Bishop Hendrix that fall.

He married Laura Allen of Phillipi, West Virginia, who preceded him in death. To this union were born eight children:— Herman T. of Whitesville, W. Va.; Herbert C. of Huntington, W. Va.; William G. of Florida; Beatrice Wilson of Florida; Blanche Flowers of Morgantown, W. Va; Hetty Bays of Beckley, W. Va.; Olive Smith of Portsmouth, Va.; and Virginia Lohr of Waynesburg, Pa. May 1942, he married Zada Barnett of Parkersburg, W. Va. who survives him.

He faithfully served the following charges: Mill Creek, Sewell, Smoot, Madison, Cottage Grove, Farmington, East Bank, Winding

Gulf, Mt. Morris, Parkersburg Circuit, St. Marys, Hilltop, and Gihon.

Dr. William Knox, District Superintendent, assisted by Dr. John L. Wolfe and Rev. F. E. Lambert of Parkersburg, conducted the burial services at the Gihon Methodist Church. Burial was made at Elizabeth, West Virginia.

E'en for the dead I will not bind
My soul to grief — death cannot long divide;
For is it not as if the rose that climbed
My garden wall had blossomed on the other side?
Death doth hide, but not divide;
Beloved, thou art on Christ's other side.

JOSEPH WILLIAM BEDFORD, D. D.

With the passing from earth to the Heavenly Home, there went forth the last of that coming of pioneers of West Virginia Methodism who performed such valiant service in Kingdom building in this Conference. At age of ninety-six years and two months Dr. Bedford ceased to live in the flesh and entered upon the life of the spirit.

Rev. J. W. Bedford was born in Whips Cove, Fulton county, Pa., December 5, 1850, son of Hamilton Jefferson and Mary Wilson Bedford. He received his education in the public schools of his native town, and at the age of 18 was engaged in teaching in the schools of that place. In February 4, 1871, he was united in marriage to Miss C. Furlow, of Oldtown, Md. Mrs. Bedford died in Parsons, W. Va., in 1932.

Brother received his license as a local preacher in 1873, and one year later was traveling the Logan and Wayne charge in West Virginia. Being given the nickname of "Walking Joe," he traveled on foot more than 4,000 miles that first year. This habit, early acquired, was kept up through the greater part of his active ministry.

His pastoral charges were invariably the hardest among the mountain circuits of West Virginia Conference, but after a successful pastorate in New Martinsville, he was appointed Presiding Elder of the Huntington District, and during six years of that office he set a great example before the pastors of the District in performing hard service and in witnessing good harvests for the Kingdom. After his term on the District he became pastor of the Methodist Church in Parsons, and after three years was given the supernumerary relation in the Conference, but continued to do supply work for many years. In 1900 he was given the degree of Doctor by Taylor University.

HENRY GRIFFIN SOWARDS

Henry Griffin Sowards, a native of Lincoln County, West Virginia, an eager student, held in the grip of high ideals, fitted him-

self for the teaching profession. Information has reached me that in this field he achieved marked success.

Feeling a call to the ministry, he joined the Western Virginia Conference of the Methodist Episcopal Church, South, at its session in Parkersburg, September, 1911.

He was assigned to the Elizabeth Memorial Church, Charleston. This pastorate continued four years. In some of these years, if not all, he was principal of the South Hills High School.

His next appointment was to the Mayo Church, Paintsville, Kentucky. This pastorate, together with the presidency of the John C. C. Mayo College, he held for the ensuing thirteen years. Here he touched for inspiration and blessing hundreds of young lives.

It was a period in which the industrial activities of the Big Sandy Valley were developing rapidly. He was a man for the hour. His beneficent and vital influence in this area was far reaching. Cordial in spirit, well-informed, of pleasing address, he was recognized as a community leader.

In these years I had my closest contacts with him. He and his family showed me every kindness. I knew him well, esteemed him highly, and appraised him as one of God's noblemen.

The Morris Harvey College conferred on him the degree of Doctor of Divinity.

In 1929 his pastorate was at Clarksburg, West Virginia; in 1930 and 31 at Emmanuel, Huntington; in 1932, 33, 34, at Louisa, Kentucky; in 1935 at Philippi, West Virginia; in 1936 at Guyandotte, Huntington; in 1937, at Parsons-Davis. He retired in 1938.

His long illness gave a host of friends who loved him' keen distress.

He died February 24, 1947, aged 69. His funeral was held in Emmanuel Church, Huntington, where as stated above he had been a pastor, the address being given by Rev. J. E. Bartlett, the present pastor.

He is survived by his widow and two sons who live in Huntington, and a daughter, Mrs. Wells, whose home is in Paintsville, Kentucky. As I close this Memoir of Henry,, I invoke upon his loved ones the blessing of our Heavenly Father.

JAMES B. RUPERT

Reverend James Brown Rupert, son of Abraham and Elizabeth Rupert, was born September 25, 1873 near Monessen, Westmoreland County, Pennsylvania. He departed this life February 19, 1947.

At the age of nineteen, he was converted in the Methodist Church at Jeannette, Pennsylvania. Here, a few years later, he was wholly sanctified. On April 26, 1904 he was united in marriage to Edith L. Miller of Jeannette, Penna. To this union was born four children: Harter M. Rupert of Morgantown, W. Va.; Mrs. G. G. Fassnacht of Indianapolis, Indiana; Mrs. J. W. Newton of Tarentum, Penna; and James Brown Rupert, an infant who

preceded him in death. He became a member of the West Virginia Conference in 1907, and served the following charges: Plymouth, Reedy, Kincaid, Winona, Crumpler, Rosedale, Hartford, Smithfield, Monongalia, Reedsville, Corinth, Parkersburg Circuit, Ellenboro, Paden City, West Morgantown and Watson.

To all of these churches he gave proof of his ministry as an effective pastor, a scriptural evangelist and an effective soul winner. He thus gave to the church a continuous ministry from 1907 to 1946 when he was retired by the annual conference in Wheeling, W. Va. So great was his zeal that retirement did not stop him, and he was continued as pastor of the Watson charge until his death. Only the eternal ages will be sufficient to reveal the value of such a faithful servant of God.

"Servant of God, well done; Thy glorious warfare's past;
The battle's fought, the race is won,
And thou art crowned at last."

Besides his widow and children, he is survived by the following brothers and sisters: A. L. Rupert of DuBois, Penna; Wm. Rupert of Erwin, Penna; Mrs. Wm. Laidig of Sterling, Illinois; and Mrs. Oscar Frohman of Milwaukee, Wisconsin. After appropriate funeral services, conducted by Reverend W. E. Craig, District Superintendent of the Fairmont District, he was tenderly laid to rest in East Oak Grove Cemetery in Morgantown, West Virginia.

"Land ahead its fruits are waving,
O'er the hills of fadeless green,
And the living waters laving
Shores where heavenly forms are seen."

Rocks and storms I'll fear no more;
When on that eternal shore
Drop the anchor,
Furl the sail
I am safe within the vale."

FRED S. BISHOP

Rev. Fred S. Bishop, son of Aaron and Sarah Bishop, was born in Belmont County, Ohio, July 2nd. 1882 and passed to his eternal home April 5th. 1947 after failing health had forced his early retirement. He was married to Miss Mayme Hunt who preceded him in death. To this union five children were born. On October 23rd. 1928 he was married to Mrs. Ethel Hilleary by whom he has one daughter, Janet Lee.

At an early age, Mr. Bishop gave himself to the service of Christ and His Church, and prepared for the work of the ministry. He was elected to membership of the West Virginia M. E. Conference in 1910 and has served the following charges: Meadville, Belleville, Alma, Triadelphia, North St. Wheeling, Grafton Andrews Kingwood, Clendennin, Central (Huntington) Williamstown, Cameron, and Wayside (Vienna.)

A faithful minister of Jesus Christ, a fearless preacher of the Word, a loyal Churchman and although the vastness and grandeur

of the Fathers House always claimed his reverent attention, it was in the hearts and homes of his parishioners that brother Bishop truly lived. He made goodness attractive and clothed his deepest religious experience in the robes of simplicity.

Funeral services were conducted in First Methodist Church, Williamstown, on April 7th. by Dr. William Knox, District Superintendent, assisted by Dr. Roy McCuskey and Rev. J. W. Dawson. Interment followed in the Williamstown cemetery.

JAMES MILLER WYSOR

James Miller Wysor was born April 17, 1878, at Dublin, Pulaski County, Virginia. He was a son of the late Rev. G. W. Wysor, a Presbyterian clergyman.

"Brother Jim," as he was affectionately known by all with whom he labored, retired from the active ministry in the fall of 1946. He had been pastor of the Berwind church for the past 13 years. He had preached three previous years there, making a total of 16 years of service on that charge.

Rev. Wysor was graduated from Marshall College in 1897, and came to McDowell County in 1900. For 14 years, he served as a layman at Panther, Avondale, Vivian, and McComas. He was a steward, Sunday School teacher, and for ten years was superintendent of Sunday Schools at Crane Creek and Thomas Chapel.

He was admitted on trial to the Holston Conference in 1914. He served the following pastorates: McComas, formerly Mora Circuit, which was composed of McComas, Montcalm, and Goodwill. After four years on this first pastorate, and after spending three months as a chaplain in the U. S. army, he was sent to Berwind for nearly three years. Iaeger followed with four years, then to Roderfield for six years. For two years he served full time as a colporteur for the American Bible Society.

Under Brother Wysor's pastorates, the churches of Iaeger, Newhall, and Cucumber were constructed. He also built parsonages at Montcalm and Roderfield.

Besides his other duties as pastor, he preached 4,792 sermons, conducted 760 funerals, baptized 281 infants, and received 1,026 souls into the church. He was credited with distributing 62,214 Bibles and parts thereof. He was the Secretary of the Brotherhood of the Holston Conference and the Secretary and Treasurer of the Brotherhood of the West Virginia Conference.

Rev. Wysor married Miss May Chambers December 31, 1902 and since that time she was his faithful assistant in his work.

After his retirement, he moved to Florida. Immediately upon his arrival there, he identified himself with the Methodist Church, taught in the Sunday School, sang in the choir, spoke at prayer meetings, assisted the pastor in the administration of the sacrament, and preached whenever called upon. Two months prior to his death, he was given the chair of Bible at the Fellowship Front and his classes were filled to capacity.

Brother Wysor died on the morning of April 30, following a brief illness. His last words were: "Thank God! Praise the Lord!"

The funeral services were conducted in the Methodist Church at Clermont, Florida, with the Rev. Hugh C. Embry officiating, assisted by Dr. L. D. Lowe and Dr. H. L. Clay. Interment was in the Clermont Cemetery.

Brother Wysor was a man of strong convictions, a speaker of unusual ability, a faithful pastor, and a good minister of Jesus Christ. Beautiful in life, triumphant in death, he will be forever with the Lord.

He now rests from his labors, and his works do follow him.

S. D. HARVEY

Rev. S. D. Harvey was born June 27, 1883 at Flat Top Mountain, Mercer County, West Virginia.

He passed to his heavenly reward on May 5, 1947, at the age of 64 years, 10 months,, and 5 days.

Most of his early years was spent in the country school room as a school teacher. He increased his education by attending the Summer Normal Institutes. Having felt the call to preach he gave up teaching to devote his entire time to the Ministry. He came into the Western Virginian Conference of the Southern Methodist Church being admitted on trial in 1921 and into full connection in 1924.

He married Edna Snead, of Flat Top Mountain, Mercer County, West Virginia in 1906. She preceded him in death' just' three months after their marriage.

In 1907 he married Lockie Rogers of Table Rock, West Virginia, and to this union five children were born, three boys and two girls. There are four of these now living: Don C. Bell, W. His funeral was conducted in the Maude Chapel Methodist Church by Rev. G. F. Plybon and assisted by Rev. Hugh L. Shiley. His body lies in the Maude Chapel cemetery which he helped to secure as aresting place for many who come like William C. Bryant says,

"Like one who wraps the drapery of his couch
About him and lies down to pleasant dreams."

MARION QUESENBERRY

Marion Quesenberry was born at Floyd, Virginia, November 20, 1870, and died at St. Luke's hospital, Bluefield, West Virginia, May 13, 1947, aged seventy-six years. He was the son of John and Elizabeth Wade Quesenberry, pioneer citizens of Floyd county, Virginia. He has one brother, Abram Quesenberry, residing at Dallas, Texas. He was happily married to Miss Addie Hylton, of Floyd, in the year 1892. Four children came to bless this union, three of whom together with the sorrowing wife, survive him. These are Mrs. James Neff, of Bluefield, West Virginia; Roba Quesenberry, of Huntington, West Virginia, and Perry Quesenberry, of Floyd, Va.

Brother Quesenberry was converted in a revival meeting held at Floyd courthouse under the preaching of Rev. Preston Hylton, a local preacher in the Methodist church. Mrs. Quesenberry, then unmarried, witnessed the baptismal service at the time he united with the Methodist church. His ministry started several years before he joined the Holston conference. Rev. E. H. Cole, now deceased, who was pastor of the Floyd charge of the Holston Conference, was very largely instrumental in having him make application for admission on trial. It was in 1908, October 7, at Knoxville, Tennessee, with Bishop Hoss presiding, that his name was presented to the Holston Conference. At Cleveland, Tennessee, in 1913, with Bishop Denny presiding, he was admitted into full connection as a traveling preacher. He served faithfully and well the following charges in the Holston Conference: Hillsville circuit, in Caarrill county, Va; New River circuit, in Pulaski county, Virginia; Lead Mines circuit, in Wythe county, Virginia; Marion circuit, in Smyth county, Virginia; Elk' Creek circuit, in Grayson county, Virginia; Rocky Gap circuit, in Bland county, Virginia; Graham circuit, in Tazewell county, Virginia; also the following charges in the West Virginia Conference: Princeton circuit, in Mercer county; Roderfield and Bartley, both in McDowell county, West Virginia. At the time of unification, he was serving in the McDowell county area and he remained here until his death. He left Bartley, his last charge, the day preceding his death, to visit with his family in Bluefield. He became ill on the way home. On the following morning he grew worse. A physician was summoned and he was rushed to the hospital where he died about an hour later. The family had been living in Bluefield for about twenty-two years, Mrs. Quesenberry, a semi-invalid, living with her daughter, Mrs. Neff.

To know Brother Quesenberry was to love him. He loved the people whom he served, and during the long years of his ministry he always enjoyed their confidence and respect. He was a modest man, filled with the love of God, and preached to save men from sin. His gospel messages were simple and plain and during his years of service he had seen many people converted and received into the church. The fires of the true itinerant burned within his soul. He took a deep interest in the affairs of the church, never became sour or morose, but maintained a cheerful and patient spirit to the end

of life's journey. He loved his afflicted companion and his children. It may be said of him that he was truly a man of God.

The funeral services were conducted from Trinity Methodist church, in Bluefield, with Rev. R. H. Daugherty, district superintendent, and Rev. C. G. Eastwood, pastor, in charge. The pall-bearers were members of his church at Bartley. Interment was at Monte Vista cemetery.

May the God of all grace comfort and bless with his gracious presence the faithful companion of his life in the loneliness of her widowhood, and the children in this their great loss.

FRANCIS MILLARD MALCOLM

On Sunday, July 27, 1947, Francis Millard Malcolm answered the summons to quit his earthly home and as the dawn was breaking his spirit winged its way to the Master who gave it. It was altogether fitting that he, who for more than half a century, had "remembered the Sabbath day to keep it holy, should make his crossing on that day.

The son of Edward Barnabus and Virginia (McGinnis) Malcolm, he was born May 31, 1858, at Thorndyke, Cabell County, Virginia. He was educated' and taught' in the schools' of Cabell County. Among his pupils was a little black-haired, rosy-cheeked lass who later became his wife. He also served as superintendent of schools of his home county. On December 22, 1883, he and Mary Maude Bowen, daughter of Sylvester and Susan (Houchins) Bowen were married. Nine children were born to the Malcolms, eight of whom survive. The first child, Bertha Virginia, died in infancy. Surviving are: Georgia Okeson and Maude Walls, Morgantown, Charles Malcolm of Masontown, West Virginia, Mary Remus, Gary, Indiana, Minnie Hamilton and Rachel Stout, Fairmont, Paul Malcolm, Long Beach, Calif., and Willard E. Malcolm, Fairview, West Virginia. One brother, Willard Malcolm of Bell Flower, California, also survives, as well as 16 grandchildren and 6 great grandchildren. Funeral services were held in the home church at Farmington, in charge of Rev. L. L. Casto, with Dr. W. E. Craig, Rev. George Twynham, Rev. L. G. Robinson and Rev. Gilmore, assisting. Services at the grave were in charge of the Masonic Order of which the deceased was a member. He was laid to rest beside his wife who died in February, 1946, in the Odd Fellow's Cemetery at Farmington.

In September, 1885, he was admitted to the Cabell County bar and formed the firm of Harvey, Malcolm and Neal. Until September, 1890, he practiced law in Milton. In the fall of 1890 he joined the Conference of the Methodist Episcopal Church and his first charge was at Pleasant Home in Wood County. Among the charges he served were Middlebourne, Ellenboro, Parkersburg, Belleville, Friendly, Smithville, Halleck and Logansport. His last charge was Farmington, where he retired and made his permanent home.

In the later days of his life he loved to recall the days of his early ministry and to reflect upon the trials and blessings that

were a part of it; also his decision to give up the profession of law with its certain financial considerations for service in the Master's Kingdom with its uncertain monetary returns. But he never regretted his choice; having put his hand to the plow there was no turning back. And while he had many trials and bitter disappointments during the years of his ministry, he also had blessed compensations. The floral tribute together with the verbal and written expressions of sorrow at his passing were evidence of the love and esteem with which he was regarded.

His fidelity to the cause of Christianity and his courage to stand for what was right, without fear or favor, marked him for the man of God that he was. We feel that we can truly say with Paul: "He fought a good fight, he finished his course and henceforth there is laid up for him a crown of righteousness."

WILLIAM E. BOONE

MRS. L. D. YOST

Mrs. Mary Elizabeth Yost, daughter of the late John H. and Eliza J. Neff, was born June 25, 1878, at Mt. Carmel, Virginia, where she spent her girlhood and attended school. In early girlhood she was converted and united with the M. E. Church, South, at Mt. Carmel.

Her family later moved to Pocahontas, Virginia, where on October 4, 1905, she was united in marriage to Rev. L. D. Mrs. Yost had been in declining health for the past seven years, spending much time in the hospital. On the first of April last she wanted to go back to her home in Princeton. On May 9, 1947, at about five o'clock, she said to her daughter, "Turn me over." When this was done she said, "I am comfortable now and think I can go to sleep", and while asleep, she slipped into the "house not made with hand, eternal, in the heavens."

The service in her memory was held in Key Street Church Princeton, where they had lived and served for five years, on Mother's Day, May 11, 1947, conducted by Dr. R. H. Daugherty, District Superintendent, assisted by Rev. J. P. Atkins, pastor of Key Street Church, Rev. L. D. Roe, pastor of First Church, Princeton, Rev. Z. D. From which none ever wakes to weep!
A calm and undisturbed repose,
Unbroken by the last of foes."

**MEMORIALS TO GENERAL CONFERENCE
MEMORIAL**

WHEREAS, in view of the concern now felt throughout the length and breadth of the Methodist Church as touching an adequate supply of trained recruits for the work of the Christian Ministry; and realizing that the number of men now offering themselves for service within our several Annual Conferences are all too few in order that a standard of consecrated service may be maintained; We the members of the District Conference, of the Buckhannon District, West Virginia Annual Conference, now in Annual Session assembled, do

PETITION THE GENERAL CONFERENCE OF THE METHODIST CHURCH IN ITS QUADRENNIAL SESSION OF THE YEAR 1948., To EARNESTLY AND SYMPATHETICALLY CONSIDER THE FOLLOWING TEXT OF THIS PETITION, WITH THE VIEW OF STRENGTHENING THE RANKS OF OUR TRAVELING MINISTRY.

FIRST: We believe the time has come when due recognition should be given to the faithful and valued service of our Accepted Supplies, who have complied with the requirements of our several Annual Conferences, and to whom we owe much for their service to the Church, especially in our rural fields.

SECOND: We do earnestly and respectfully petition the General Conference to acknowledge the value of the work of our Accepted Supplies, by permitting them to become members of our Annual Conference, subject to the following conditions. Namely: An Accepted Supply, who is not more than forty to forty-three years of age, and who has successfully passed the course, prescribed in our Book of Discipline, for Accepted Supplies, and onewho has rendered ten consecutive years of service within an Annual Conference of the Methodist Church, shall, following the adjournment of the General Conference of the year 1948., be entitled to Membership in Full Connection within the bounds of our several Annual Conferences; subject to such other regulations as apply to candidates for admission to an Annual Conference.

MEMORIAL

Whereas, the Discipline, paragraph 437, contains the law "He (retired bishop) may participate in the Council of Bishops but without vote," and

Whereas, the Constitution of the Methodist Church declares (par. 36) "There shall be a Council of Bishops composed of all the bishops of all the Jurisdictional and Central Conferences," thereby

giving active and retired bishops the same constitutional rights and powers in that body, and

Whereas, no bishop retired or active, except those of the Central Conferences (par. 20:2), has any limitations upon the right and power to vote in the Council of Bishops anywhere in the Constitution, and

Whereas, the Uniting Conference with powers limited by the Plan of Union inserted this rule, and

Whereas, this law in paragraph 437 does contravene and modify the constitution (par. 36) which guarantees to retired bishops the right and power in the Council of Bishops, and it was adopted by the General Conference of 1940 in a motion indorsing all the actions of the Uniting Conference without carrying it through the necessary constitutional process (par 10.2), and

Whereas, retired bishops by reason of their knowledge, experience, and continuing activities as General Superintendents render very valuable service, and

Whereas, the Council of Bishops in regular annual meeting in May 1947, adopted unanimously a memorial to the General Conference that this law in paragraph 437 be eliminated;

Therefore, be it resolved that the West Virginia Annual Conference hereby respectfully memorialize the General to repeal the law in paragraph 437 by striking out "but without vote."

MEMORIAL

We the Bluefield District Conference of the West Virginia Annual Conference, hereby memorialize the forthcoming session of our General Conference to so amend Paragraph 355 of our Discipline as to return to a scriptural basis for the remarriage of divorced persons. We pray that the words referring to mental cruelty be entirely stricken out, and that no minister shall marry any divorced person whom divorce decree has not been final for a period of one year.

Its adoption as the action of this Conference was moved by the author and seconded by the Rev. C. G. Eastwood of Trinity Church.

Signed:

R. H. DAUGHERTY, President

L. E. CROWSON, Secretary

MEMORIAL

The Buckhannon District Conference of the West Virginia Annual Conference, HEREBY; memorializes the General Conference to re-write paragraph No. 671 of the Discipline so that it will clearly state whether persons who are Accepted Supplies over a period of years shall, or shall not, be required to have a recommendation annually from the District Conference or the District Licensing Committee.

MEMORIAL

Be it resolved, that the West Virginia Annual Conference in session September 17-21, 1947 does hereby petition the General Conference to give major considerations in the plans and programs of the next quadrennium to the needs of the churches in rural areas, keeping in mind such recommendations as have been worked out by the Study Groups of the National Methodist Rural Life Conference.

Be it resolved, that the General Conference pass necessary legislation which will make possible provisions for Quarterly Conferences to set up the plan of making the salary of the ministers and his operating expenses separate items.

Be it resolved, that the General Conference make such adjustments in the manner of amendments or otherwise to the Discipline which would provide, that after ministers in the ranks of Accepted Supplies have been used twelve consecutive years and having passed the Conference Course of Study for Accepted Supplies, and having a high school education or its equivalent, and upon recommendation of the District Superintendent and the Conference Relations Committee, may be admitted into full Conference Connection, and

When Accepted Supply Pastors have become members in full conference connection, their years be counted as annuity years, except the two years that he was serving on Trial.

Signed:

JOHN L. WOLFE, Chairman
E. N. CARLSON, Secretary.

THE OBJECTIVES OF WEST VIRGINIA WESLEYAN COLLEGE

●

It is the purpose of West Virginia Wesleyan College to be a Christian college of liberal arts in the sense that its total program is motivated by Christian ideals and principles, and is directed toward the development of competent, cultured, Christian persons.

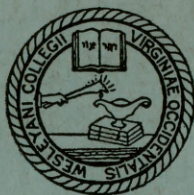

The College seeks to help each student, in the light of his individual abilities, interests, and needs, to become such a person by attaining the following specific objectives:

1. Ability and disposition to read the English language with understanding, and to speak and write it correctly and effectively.
2. Ability and disposition to think clearly objectively, independently, and constructively.
3. Ability and disposition to order one's own life in such fashion as to realize the highest possible degree of health and efficiency of both body and mind.
4. A broad orientation in the liberal arts, — some understanding and appreciation of the content and value of the main fields of learning and of the major problems of human life.
5. Sufficient concentration in some field, or fields, to constitute adequate preparation for graduate study or immediate entrance into some well considered vocation.
6. Understanding, appreciation, and experience of the Christian religion, — development and practice of a Christian philosophy of life.
7. Ability and disposition to be a good citizen, — to participate in, and assume leadership in, socially constructive organization and activities.
